Bi-Weekly Report

Senior Design Bi-Weekly Status Report; Fall 2020
Group: sdmay21-36

Report Period: Aug 17-30

Summary of Progress in this Period
- Got in contact with each other and our faculty advisor
- Found a weekly meeting time for our team
- We started to research the orbit platform
- Setup a Discord server for group communication

Pending Issues
- Confirmation of a fixed meeting time with the faculty advisor.

Plans for Upcoming Reporting Period
- Prepare one slide each for lightning talk on the ORBIT platform.
- Get the ORBIT platform running on our local machines.
- Meet with our advisor and present our findings.
- Study concepts of self-healing algorithms.
